**ORDER CLARIFYING TEMPORARY RESTRAINING ORDER**

This matter comes before the Court to clarify any misunderstanding that may exist regarding the Temporary Restraining Order entered by this Court on March 1, 2010. It was the intent of this Court that the provisions said Order apply to all existing roads as constructed and used by the local residents for ingress and egress, including, but not limited to, South Elk Creek Road, Jensen Road, Juniper Road and/or Park County Road 1184.

Further, this Court finds that blockage of said roads by the Defendants has caused a serious threat to the safety and welfare of local residents by impairing the ability of emergency responders, including fire, ambulance, rescue, and law enforcement, to gain access to the local residences.

Defendants are Ordered to comply with the provisions of the Temporary Restraining Order as clarified by this Order immediately and completely.

Dated this 2<sup>nd</sup> day of March 2010.

Stephen A. Groome  
District Court Judge
